YOUR DIGITAL
WALLET TODAY!

A fast, easy, secure way to pay using your smart phone or device.

Look for the Tap and Pay icon at checkout.

APPLE PAY®:

1. Open the Wallet app on a compatible iPhone or device and tap ⊕.
2. You will be prompted to take a photo of your Orion Debit Card to save in the Wallet app. Follow these instructions to load your Orion Debit Card.
3. Once your Orion Debit Card has been verified, you can begin using this app wherever Apple Pay® is accepted.
4. To pay, simply unlock and hold your device up to the NFC contactless reader at the POS and you are done!

GOOGLE PAY™:

1. Download and open the Google Pay™ app on a compatible smartphone or device from Google Play Store.
2. Follow the steps in your app to load your Orion Debit Card.
3. Once your Orion debit card has been verified, you can begin using this app wherever Google Pay™ is accepted.
4. Make sure Google Pay™ is your default wallet.
5. To pay, simply unlock and hold your device up to the NFC contactless reader at the POS and you are done!

SAMSUNG PAY:

1. Download and open the Samsung Pay app on a compatible smartphone or device from the Google Play Store.
2. Follow the steps to register and confirm a Samsung Pay PIN to secure your app.
3. You will be prompted to take a photo of your Orion Debit Card to save to the Samsung Pay app. Follow these instructions to load your Orion Debit Card.
4. Once your Orion Debit Card has been verified, you can begin using the Samsung Pay app.
5. To pay, simply access your card on your Samsung app and hold your device up to the NFC contactless reader at the POS. *(Samsung Pay can also be used with some terminals that are not NFC enabled.)*
