

1. Download the [Orion FCU Mobile App](#) to your smartphone or tablet. You can search Orion FCU on your devices app store or [scan one of the codes to the right](#) with your camera to easily find the app!

If you have an [Android](#) device, you should scan the Google Play code. If you're using an [iPhone or iPad](#), scan the App Store code.

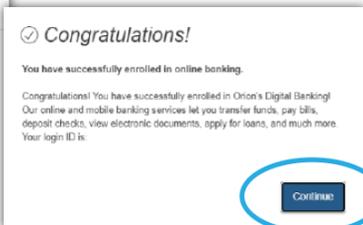

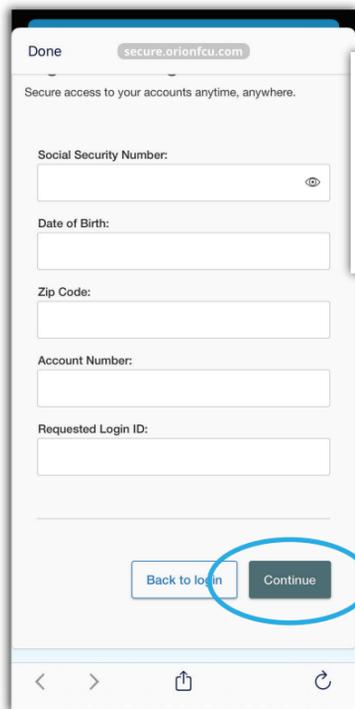

2. Once the app is installed, click [New User?](#) [Click here to enroll](#) below the login box to set up your account for the first time.

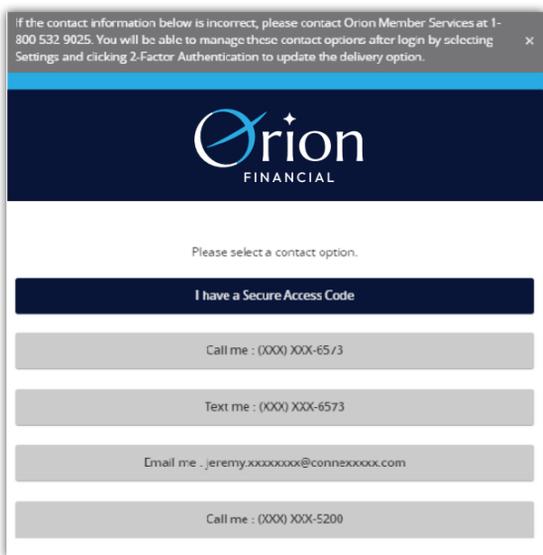

Sound familiar? This process is only for setting up a brand new online banking account. If you have already set one up, log in using your credentials or click [Forgot your password?](#) to reset. Contact us with any issues logging into an existing account.

3. Complete the information requested and click [Continue](#) to enroll through Orion's secure portal. You see a [Congratulations!](#) screen if your entry was successful. Then, click [Continue](#).

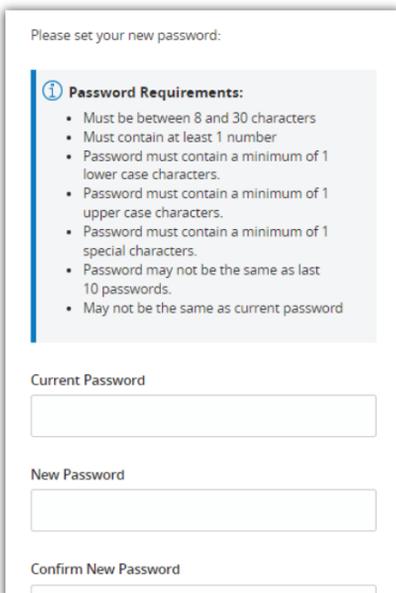

If you cannot reach this screen, reach out to us at **901-385-5200**, or send a secure message through online banking or your Orion mobile app.

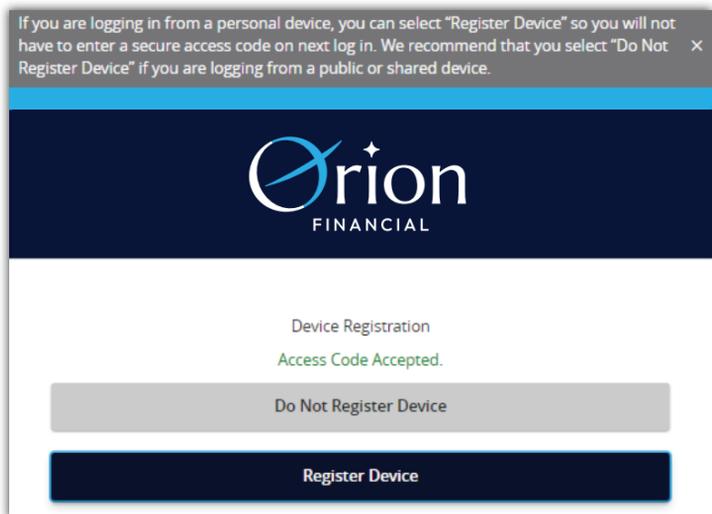

4. You will be prompted to select how you'd like to receive a secure access code. Once you have received your code, click [I Have a Secure Access Code](#) to enter.

5. Once the code has been entered, [set up a password](#) using the instructions on the screen.

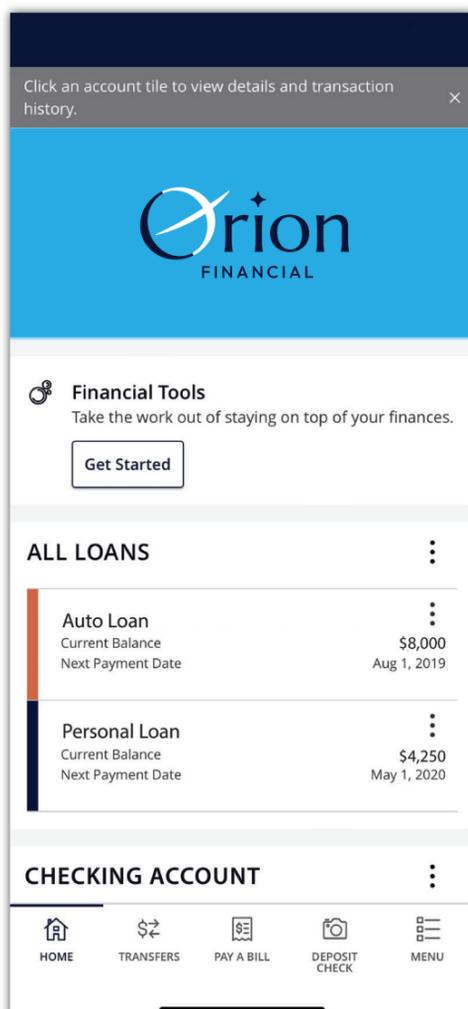

6. If you're logging in from a [personal device](#), select [Register Device](#) to log into easily on your next visit. If you are on a [shared or public device](#), select [Do Not Register Device](#).

7. **Your setup is complete!** You can now log into the mobile app to view account balances, transfer funds, check your credit score, deposit a check, and more.

Open the [menu](#) to explore more options, and use [Settings](#) to change information, set up alerts, or update your password.

THANK YOU FOR USING THE ORION FINANCIAL MOBILE APP!
