

**1.** Click Menu, then Services to open External Accounts.

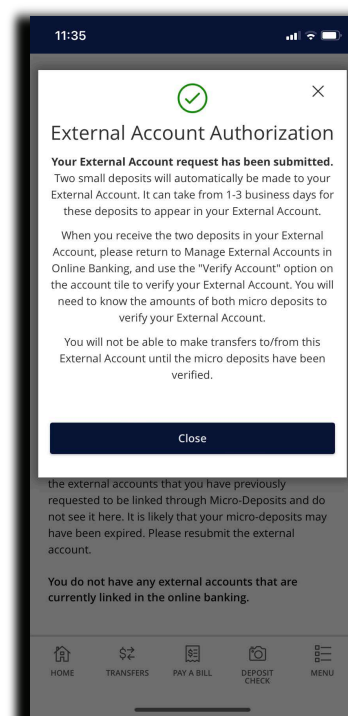

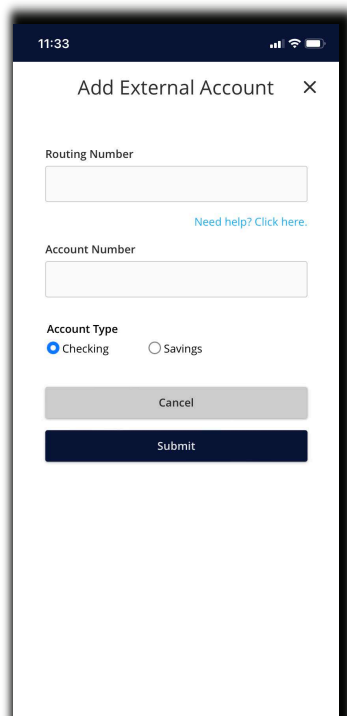

**2.** Select how to link your external account: Instant Verification or Micro-Deposits.

**3.** For Instant Verification, use Plaid to connect your account. Select your bank and enter your credentials to link your accounts.

**4.** For Micro-Deposits, enter the external Routing Number and Account Number, and select the account type. You will receive a notice that Your External Account request has been submitted. Once you have confirmed the micro-deposit amounts, your accounts will be linked. This process can take 2-3 business days.
